

## Leave a Legacy

Considering a substantial gift to the library? Please let us contact you to discuss ways to maximize your legacy. Some ideas include:

- participating in the Cumulative Giving Program with an initial gift of an amount under \$1,000.
- participating in the Cumulative Giving Program and being added to Generosity Island with an initial gift of \$1000 or more.
- naming a room or area in the library after yourself or someone else.
- giving a gift of appreciated property.
- remembering the library in your estate planning.
- an idea you may have for giving to the library.

We would be happy to discuss with you the tax advantages of charitable giving.

*"A good library is a place, a palace where the lofty spirits of all nations and generations meet."  
Henry Ward Beecher*

*"We have all been shaded by trees we did not plant...warmed by fires we did not build."
